Spencer Insurance Agency is excited to announce that we have partnered with GLOVEBOX to provide our valued policyholders an innovative self-service technology, on mobile and web, to manage your insurance policies and easily communicate with our agency. Within the new Spencer Insurance application, you will be able to:

- Connect to your carrier(s) to access your policy documents and ID card
- Pay a bill, initiate a claim
- Request policy service with multiple channels of communication
- Request quotes on additional lines of business
- Refer us out to friends and family with a simple touch of a button
- Engage with our website and social media
- And so much more!

To get started and set up our app use this [custom link](#):
See detailed instructions on the next page.

Make sure you activate your company(s).

We hope that you enjoy our new technology as much as we think you will and stay tuned for more products and features that will be coming available within our app very soon. **Contact us if you need help connecting to our app.**

Note: Once one member of the household sets up the account, other members just need to download the Glovebox app and use the same credentials to access the account.
