Spencer Trivia

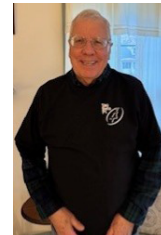

2nd Quarter's Trivia Question: What famous baseball poem was published in the San Francisco Examiner on June 3, 1988?

Send your Answer to cspencer@spencerinsurance.com. If you email the correct answer by June 1st, your name will be entered into a drawing for a \$25 Gift Card. Good Luck!

Last Quarters Question was: When is Pi Day and what does Pi mean in mathematics?

Answer: Pi (often represented by the lower-case Greek letter π), one of the most well-known mathematical constants, is the ratio of a circle's circumference to its diameter. For any circle, the distance around the edge is a little more than three times the distance across. Pi day is celebrated on March 14th.

Several people emailed the correct answer and **Rick Daniels'** name was picked as the winner. Congratulations, **Rick!**

Tip of the Month

Spring cleaning time is here. Spring cleaning extends to the outside of your house too.

Check out our Spring cleaning tips on our website. There are many things you can do to lessen the chances of having to file a homeowner's claim. It is especially important to checking the trees surrounding your house. Many insurance companies will not insure homes where trees cover a good portion of the house. There is good reason, as tree claims are a major issue due to tornadoes, thunderstorms, and recent wind gusts. Last year one of our clients sustained a total loss on their house due to a tree falling on the home and splitting it in two.

It is also time to prepare your summer toys for summer use. If you have boats, motorcycles, RVs or personal watercrafts, you need to tune them up and make sure they are properly insured. You need to be aware of what coverage you may have or may not have on your homeowner's insurance for these items. **Contact us today** to discuss your summer toys. I for one love to get out on my boat in the summer, but rest assured I have the proper coverage and an umbrella policy to protect my assets from lawsuits. Even if you rent these items you may need to take the insurance offered by those who rent these to you. You most likely have no coverage or limited coverage under your homeowner's insurance policy. **Contact us today** for a review. Enjoy the Spring!

Charity Spotlight: Weldon Fire Company

During the 2nd Quarter of this year, Spencer Insurance will highlight **Weldon Fire Company** and pledge to donate \$10 for each referral we receive from our clients and friends.

Recently **Weldon Fire Company** was one of several fire companies that battled the blaze at SPS Technologies, which was right in our backyard. We thank them for protecting the surrounding homes from damage and we were very happy to hear that there were no injuries.

Due to this fire, a lot of equipment needs to be replaced, and donations would be greatly appreciated. If you can donate, please go to their [website](#).
